

“I would like to thank you and your wonderful team for the amazing job you do bringing your much loved pet dogs into Hilda Ross Retirement Village for pet therapy.

The residents look forward to the fortnightly visits, the dogs are welcomed, loved, cuddled and cherished – they certainly cheer up our residents in the most heart-warming way and I know the dogs are just as excited to visit.

Again, thank you and your team for bringing Canine Friends Pet Therapy to our facility”.

Kind Regards
