To Whom It May Concern

Re Canine Friends

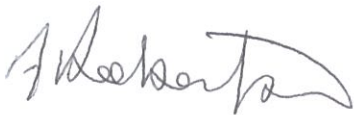

On behalf of Monte Vista Residential Care I am writing to express our support of the excellent service that members of Canine Friends provide to older people in residential care.

We have had volunteers regularly visiting Monte Vista for many years. Our residents really enjoy the visits from the dogs and their owners and many friendships have been formed.

Many people have owned a dog as a pet and very often they have had to re-home their loved companion when they enter residential care. We find the visits from members of Canine Friends enables people to express their love and enjoy the companionship that a dog brings.

We trust that Canine Friends will be able to continue this excellent service into the future.

Yours sincerely

Ann Robertson
